Time **Welcome/ Introductions** **Presenter:**

8:30 – 8:35 **Item of Business 1:** Glendale has had a very positive beginning to the new school year. We have student government representation from west side schools this year for the first time ever at East High school. We ask for continued parent support with promoting student leadership opportunities to and for our students. **Marissa/ Olga Lopez(interpreter)**

8.35-9:15 **Item 2:**

Attendance: We encourage parents to assist our students to make attendance a priority, with preventing students from leaving campus for non-essential reasons, and the prevention of general non-attendance. As a **Marissa**

community, lets positively encourage students that we may see in the wrong places, or who are not making prompt progress to school.

Item 3: Superintendent Breakfast Meeting

Marissa/Keri

We encourage all to attend and participate!

Use this as an opportunity to get to know the superintendent and to open channels of communication to advocate for our students

Parent Comment/Question: What does the superintendent do?

Organizational chart review/explanation of roles and responsibilities – Marissa

Please exercise the right to raise your voice to advocate for student needs, parents have great power as advocates.

Parent Comment/Question: Is it possible to invite school board members to our meetings to speak about their roles, the process of being elected and what their platforms are?

Admin Response: Let's see if we can get some to come to the next meeting to be held at Mtn View elementary school and do a presentation - **Marissa**

Parent Comment/Question: I plan to raise the issue of low funding with the superintendent.

Admin Response: The level of advocacy has an impact on resources allocated. Please follow the chain of responsibility when making complaints: teacher-principal-superintendent.

Parent Comment/Question: After School Program is excellent enrichment for kids

Admin response: Special thanks to Erica Andino (Afterschool Program) and Lucas Tucker (PE) who help to ensure that we have great programs for kids available after school like Soccer, Basketball and Volleyball. Parent volunteers are always welcome to support these activities too.
