

ATTENDANCE....IT MATTERS

Know the Facts

Let's do this thing called **CLASS!**
Every period. Every day.

On time, prepared with materials, in uniform, and ready to learn.

Did you know?

Students who are frequently absent and tardy in middle school:

- ***Do NOT graduate from high school because of lower grades and test scores***
- ***Have higher rates of suspension and more discipline referrals***
- ***Have attendance and tardy problems when entering the workforce***

Students who graduate from high school:

- ***Make \$10,000 more a year than the average high school drop out***

Students who graduate from college:

- ***Make \$17,500 more a year than a high school graduate; and \$1,000,000 more over their lifetime***

(Please call the front office when your child is absent)
