

## Glendale SCC Meeting Minutes

12/17/2021

### Glendale Students of The Month

Students that exhibit gratitude and kindness

### **Future of the ELP program**

1. School administration would prefer the Magnet program to be here at Glendale.  
Parents should call the district to bring the program here.
2. Start a petition to get the program here and invite district here to talk about it.
3. Parents can opt to be in the Honors program and even pick which subject to be in.
4. Honors program will depend on if we get the Magnet program
5. NELP program is our equivalent to the Magnet program and Glendale money was used for the program
6. Parkview or Escalante would get the elementary Magnet ELP since Mountainview has Dual Immersion

### **Supports in Glendale**

Every student gets Tier 1 support, fewer in Tier 2 support and even fewer in Tier 3 support

Help in academics, behavior, socio-emotional and community support.

Two social workers who specialize in mediation in small groups with clear consequences.

Covid helped to increase parent involvement and the quality of the after-school programs 5-7 clubs/day.

No staff shortage this year made the year smoother for everyone involved.

Advisory, morning meeting and counselors (Tier 1)

Suggestion: hold meetings with students to learn about the consequence of threat calls and challenges.
