

SCC Notes February 4, 2022

Land Trust

Counselors then took over and went through the attached PP.

Important topics covered:

- counselors caseload meets federal requirements thanks to Jill paying for another .5 counselor
- Counselor time task analysis shows counselors spend their time in these areas;
 - 23% Plan for College and Career Readiness
 - 6% Classroom lessons
 - 61% in dropout prevention
 - 10% indirect services
- 2 take aways from time task analysis
 - we are below the national average for indirect services to students that is 15% for other schools in time spent away from students
 - We spend ALOT of time in dropout prevention. This matches our needs assessment that indicates a need for stress management
- We then went over how counselors set goals for our program
- We also discussed our stress-less fair on Thursday March 24th.
